NOTES TO FINANCIAL STATEMENTS

AUGUST 31, 2008

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose

The Holocaust Memorial Resource & Education Center of Florida, Inc. (the Organization) was established in 1982 as a nonprofit agency for the following purposes:

1. To encourage and foster the study of the historical and moral lessons and continuing relevance to contemporary society of The Holocaust.
2. To establish and maintain a local resource and education center devoted to the collection and dissemination of educational information about this tragic episode in world history.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified and reported as follows:

Unrestricted - Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted - Net assets subject to donor-imposed stipulations that may or will be met, either by action of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general purposes.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all cash and other highly liquid investments purchased with maturities of three months or less to be cash equivalents.

Equipment and Library

Equipment and library are recorded at cost, if purchased, or if donated, at fair market value at the date of receipt. Depreciation of the equipment is provided on a straight-line basis over the estimated useful lives of the respective assets. The library has not been depreciated as it has a relatively permanent value. The Organization's capitalization policy requires assets to be capitalized if the original cost or fair value at date of donation exceeds \$250. Assets acquired at a cost under this amount are capitalized at the discretion of management. Depreciation expense charged to operations was \$7,574 for the fiscal year ended August 31, 2008.

Donated Services

A significant portion of the Organization's functions are conducted by officers, board members, and volunteers. The value of this contributed time is not reflected in the accompanying financial statements since the volunteer's' time does not meet the criteria necessary for recognition.

Short-Term Investments

The Organization has various certificates of deposit stated at cost plus accrued interest. The certificates originated from donations to support the Cultural Endowment Program.

Income Taxes

The Organization is exempt from Federal income taxes under the Internal Revenue Code Section 501(c)(3). Accordingly, no provision for income taxes is included in the financial statements.
